

Canterbury Schools eDay project 2008 Drop-off Registration Form

During the two weeks from **Monday 22nd September to Friday 3rd October**, Insite Technology will be offering its premises at 77 Montreal Street, Sydenham, Christchurch as a drop-off point for disposal of schools IT equipment. This is part of the National Schools eDay 2008 project.

The eDay concept provides an opportunity for your school to safely recycle unused computers and computer related equipment and to help students learn about the dangers of inappropriate disposal of waste. This covers end of life and recyclable IT equipment such as: monitors, desktop computers, servers, laptops, printers and peripheral devices.

For co-ordination purposes, please complete the form below and return by fax 0508 483 272 or email: rtobeck@insite.co.nz by Friday 19th September and we will confirm your registration.

For further information please contact Rachael Tobeck on DDI 03 353 2282 or via email: rtobeck@insite.co.nz
